Capco

Dear Capco Human Capital:

Please accept this letter as my formal notice of resignation from Capco as Principal Consultant. I have thoroughly enjoyed my tenure here and thank you for the contributions Capco has made to my growth and development. My last day will be July 15, 2016.

In these last two weeks, I'll do everything possible to wrap up my duties. Please let me know if there is anything I can do to aid the transition.

My vacation days are up-to-date on CIT and I would have some unused vacation days. I hope that I can get compensated for the unused days.

Sincerely,
